Get away from the hustle and bustle with a quick weekend escape to Batu Karang Lembongan Resort & Spa, and who knows, you might find yourself extending the journey.

**B**ali's satellite islands of Nusa Lembongan, Ceningan and Penida have long been favourite getaway destinations, with Lembongan the most popular due to its numerous picturesque resorts and charming cafés. Both travellers from outside Bali and from the main island of Bali love visiting Lembongan for a quick weekend escapade, or an extended holiday.

Offering a modern, relaxing retreat to get away from the cacophony, Batu Karang Lembongan Resort & Spa is situated in a picturesque location on Lembongan, boasting soothing ocean views and majestic Mount Agung in the distance. Combining traditional Balinese hospitality with modern facilities and services, a stay at the resort is guaranteed to be an unforgettable one.

The eco-friendly boutique resort offers a variety of accommodations to cater to different traveller needs. From well-appointed guest rooms to pool suites and villas, there's a little bit of everything for everyone. The suites with their own pool are a favourite choice among loyal clientele, complete with high-quality

amenities, a private plunge pool and the inimitable surrounding view.

For guests travelling with family or a larger group of friends, the resort's three-bedroom Villa Mt. Agung is the ultimate choice. The expansive accommodation comprises a master suite with en-suite bathroom on the top floor, a double room, and a twin share room. The villa also comes with amenities including satellite TV, broadband internet access, fully stocked mini bar, private outdoor bath and shower, luxury bathroom essentials and more.

To ensure a relaxing time, Batu Karang Lembongan Resort & Spa provides three swimming pools: one 9x9m infinity swimming pool with sun beds and parasols, one 9x9m fresh water pool on a higher level, and for those who feel like exercising, there's a two-lane 25-metre lap pool.

While the surrounding nature irresistibly beckons guests outside, if you're feeling like relaxing indoors, the resort's Day Lounge provides a multipurpose haven.

With facilities including a library, a 42-inch LCD television, laptop outlet, air-conditioning and ceiling fans, male and female restrooms, secure locker and shower facilities, the Day Lounge also makes a comfortable spot for guests with early arrivals or late departures.

A Bali holiday is not complete without pampering time at the spa, and the resort has Lulur Spa to help with that. With highly trained therapists, Lulur Spa offers massages, facials, body treatments, and also a top-to-toe package – a perfect choice to rejuvenate after using the resort's well-equipped fitness centre.

When it comes to dining and drinking, guests can just relax and enjoy the resort's wide array of restaurants and bars. The all-day dining Muntigs Bar & Restaurant serves fine food with international and Asian flavours, as well as a fine wine collection. Meanwhile, The Deck Café & Bar is set along the oceanfront boardwalk, serving gourmet baguettes, paninis, freshly baked pizzas, home-baked cakes, gelato ice cream and more. The Balcony is nestled high above The Deck Cafe & Bar, serving breakfast, lunch and dinner.

Guests looking for a tempting fix of ice cream can head to the resort's Parad-Ice Parlour, which serves various gelatos and homemade frozen yoghurts. Last but not least, for a nightcap or two, head to The Howff, and marvel at its comprehensive whisky, gin and wine collections.
